Dear IGBC Patron,

### **Living wall in CII-Godrej GBC**

Warm greetings!

We are pleased to inform you that, 'Living Wall' – another important Green Building feature was successfully introduced in 4 places at CII-Godrej GBC Green Building campus in Hyderabad. Team from ELT India has installed the Living Wall in GBC campus.

**Mr Jamshyd N Godrej**, Chairman, CII-Godrej GBC & Past President CII and **Mr Anil Kumar V Epur**, Chairman, CII Green Landscape Committee & Past Chairman, CII Southern Region, jointly inaugurated the Living Wall on 13 August 2015. *Enclosed is a brief note on the inauguration for your kind reference please.*

CII-Godrej GBC Building will serve as a demonstration site where visitors can get a feel & touch of Living Wall and appreciate how open spaces can be converted into Green spaces. The building will also showcase how native & drought tolerant species can promote urban horticulture/ floriculture within a given space.

*Some of the unique features of the living wall (not limited to) in CII-Godrej GBC building include:*

- Light weight & easy to install
- In-built irrigation & drain system
- Individual cells for water retention & plant support
- Unique 'Z' pattern of nesting to transfer water and provide stability to the Green wall
- 2 mounting channels across the back, support weight across the whole panel
- Drain tray provided at the base of the Green wall to collect excess water

Look forward to the pleasure of hearing from you.

Kind Regards,

Yours sincerely,

**S Raghupathy**
